# SCHOOL SIZE MATTERS BECAUSE

# YOU

REASON ONE: The qualities of school size and scale, an ideal student enrollment of approximately 460 and a commitment to small class sizes, are essential components of UNITY.

# MATTER

# Welcome to the FAMILY

REASON TWO - UNITY doesn't just admit students – we admit families. We believe in nurturing a true learning community.

REASON THREE: ROCKET PRIDE We have found that our learning community enjoys showing off their ROCKET pride. It is not uncommon to see license plates, vinyl stickers, even banners and flags displayed in our communities.

# TODAY'S YOUR TODAY'S YOUR BIRTHDAY

REASON FOUR: There's a good chance your friends will announce your birthday during our morning announcements.

# COMMUNITY

IT STARTS  
*NOW*

REASON FIVE: What makes UNITY truly unique is the sense of community, of family, that exists in the school culture. Every member of the UNIT SEVEN community – students faculty, parents, administration, alumni – is focused on you, your growth, and your success. We know success does not start after college...
