

Unity Rocket Football Camp 2009

The 10th annual Triple Threat Option Camp will be held again this summer at the old Chanute Air Force Base in Rantoul, IL. The triple option team camp focuses on the midline and triple options from the double slot formations, and provides teams and coaches time to work on the fundamentals of the offense. The camp will focus on techniques essential to the development of the option offense. Each practice session will be broken into different segments working on different phases of the offense, teams can make adjustments to fit their team and the needs of their players.
