

FRESHMAN

June	July	August
<p>Begin and continue a thorough self-examination of your abilities and interests.</p> <p>Think about careers.</p> <p>Try a sport, club or other activity. (the more unique the better – but something you enjoy)</p> <p>Begin your resume</p> <p>READ!</p>	<p>Plan and become involved in extracurricular activities, clubs, when school begins</p> <p>Position yourself for leadership in at least one area: club, organization, sport</p> <p>READ as much as you can. This has a huge effect on your vocabulary, hence your standardized test results.</p>	<p>Investigate the kinds of education available: two-year colleges, four-year colleges, universities, professional schools that fit your goals.</p> <p>Make sure the classes you registered for last spring are the ones you need to meet the goals you have been considering.</p> <p>READ!</p>
